

On the Job Training

An OJT contract must be in place with the employer before you start!

IN-DEMAND JOBS IN EASTERN CT WORKSHOP

How On-the-Job Training Can Help YOU Get Hired!

Our On-The-Job (OJT) Training Programs provide incentives for employers in the form of wage reimbursements that may give you the competitive edge to get hired.

OJTs are possible in just about every occupation that requires some level of technical skill. Many of these jobs are in advanced manufacturing, technology, or are engineering related.

We will explore many of these careers during this workshop and the skills employers want.

Find out if you're eligible.
On-site screening will pre-qualify you for one or more OJT Programs.
