

HEALTHCARE PIPELINE CHECKLIST

Please complete the following steps:

- Create a [CTHires](#) account
- Register on the Healthcare Pipeline at ewib.org/healthcare
- Complete the Healthcare Skills Inventory
 - Attend a Healthcare Skills Inventory (HSI) session. Your current skills will be measured to demonstrate your ability to successfully complete the classroom training. This session covers basic reading comprehension, customer service mindset, and following written instructions. The HSI is currently being sent to applicants through email, and can be completed remotely. (Check your email and junk/spam folder)
- Attend Healthcare Pipeline Info Session Workshop
- Work with Melisa Trinidad & American Job Center staff to complete the funding application process. For additional assistance contact Melisa Trinidad at 860-367-5036, mtrinidad@eastconn.org or E-Mail: AJC@eastconn.org
- Attend the Healthcare Careers Seminar
- Attend / complete training class
- Connect with a job developer and apply to healthcare careers!
